

# Go-Green With E-Statements

---

## Take advantage of E-Statements today!

The e-statement program, offered by Tri-County Trust Company, is a great FREE way of accessing your bank statement online. You will receive an email, to the address you registered when you enrolled online, when your statement is available to view online.

Advantages of e-statements include:

- Your statement is stored electronically, thereby keeping it completely secure from “prying eyes”.
- You can eliminate the need to file your bank statements away. Our online banking system does it for you.
- You no longer have to worry about keeping track of and separating your monthly statements. They are available anytime through your online banking account.
- Your statement will be available on the same day every month. No more waiting on the mail to be delivered! Receiving e-statements will reduce your risk of fraud versus a traditional paper statement.
- Best of all...e-statements are **FREE!**
